OLLI @Berkeley is funded by a partnership between the Osher Foundation, UC Berkeley, income from dues and fees, and donations from members like you. Membership dues and fees cover 80% of the cost of running our programs, and endowment funding from the Bernard Osher Foundation covers approximately 10%. Gifts to OLLI's Annual Fund make up the difference. Your gifts support classroom technology, teacher salaries, and OLLI's fee assistance program (tripled since last year!) that makes our courses accessible to more people.
