The Bernard Osher Foundation supports 119 Osher Lifelong Learning Institutes on university and college campuses in 48 states (plus the District of Columbia) as well as a National Resource Center at the University of Southern Maine. The center facilitates the exchange of opinions, solutions, and experiences among OLLIs and is a source on best practices on lifelong learning. Each Osher Institute is designed to reflect the culture of its own university and learning community.

**Osher Lifelong Learning Institute**
